File #12002 (revised)
June 10, 2011

Dear Mr. Wood,

I have received notification from Mendelssohn Event Logistics advising of the [Canadian Pool & Spa Conference & Expo](#) to be held at the **Scotiabank Convention Centre** in Niagara Falls over the dates of **December 5th-8th, 2011**.

I am pleased to advise you that the use of **Tariff Item 9993.00.00.00** is being extended to you for this event.

Goods imported temporarily under tariff item 9993.00.00.00 cannot be sold, leased or further manufactured or processed while in Canada. The goods must be imported in a reasonable quantity pertaining to their use while in Canada. The goods must be exported within a reasonable time after the conclusion of the event. Should participants decide to give away, sell or otherwise dispose of any temporarily imported goods, they must contact the nearest Canada Border Services Agency office or their Customs Broker to arrange for the proper accounting for those goods. After the event, any goods that remain in Canada are subject to the payment of duties and taxes regardless of whether or not the goods are sold.

Also, use of the Border to Show system is **not** authorized for this location.

I recommend that any exhibitors coming to this event from outside of Canada, be provided with a copy of this letter for presentation to Canada Border Services Agency Officials at time of entry into Canada.

This letter does not preclude the necessity for possession of appropriate documentation to satisfy Immigration requirements at time of arrival in Canada. Please visit www.cic.gc.ca/english/visit/index.asp for more information or contact Immigration at 1-888-242-2100

I note that you have appointed **Mendelssohn Event Logistics** as "Official Customs Brokers" to effect Customs clearance of goods destined for your event. It is highly recommended that you supply your official Customs Broker with a complete exhibitor list 6 to 8 weeks prior to start of your event.

I wish you every success with your event and if I can be of further assistance, please contact me by telephone at (905) 803-5261 or by fax at (905) 803-5353.

Yours truly,

Mau'veen Dayrell-Johnson
Regional Coordinator
International Events & Convention Services Program
Southern Ontario

Customs Clearance

We're the North American customs clearance experts for show planners and event organizers.

Your business is our business

At Mendelssohn Event Logistics, we have the expertise to move complex shipments for exhibitors and vendors into Canada or the United States from anywhere in North America, across the border and back again. As the customs clearance specialists for conventions, trade shows and special events, we look after permits, advance electronic filing and security requirements on your behalf. Your goods will arrive where they need to be, when they need to be there – hassle-free.

We have you covered

With agents at every major customs port of entry along the U.S.-Canada border and other strategic locations, we have the people, technology and leading industry expertise that will help spell success for your event.

Consider the benefits you will enjoy by relying on Mendelssohn for your next conference, trade show or special event.

We get it done

- All cross-border transportation arrangements looked after for you.
- All customs and shipping documentation provided.
- Expert, efficient customs clearance.
- All shipments traced, if necessary.
- Mendelssohn customs specialists on site or on call 24/7 for your convenience.
- On-site customs clearance arranged for goods sold at the event.
- Materials stored in a bonded warehouse before and after event.
- Assistance with the completion of documentation.
- Private vehicles assisted to facilitate their customs entry into Canada.

MENDELSSOHN EVENT LOGISTICS

CUSTOMS CLEARANCE

The service of a customs brokerage firm is strongly recommended for all shipments originating outside of Canada. This will eliminate the possibility of materials being held at the border by Canada Customs due to improper or insufficient documentation resulting in these same materials arriving too late or not at all.

Mendelssohn Event Logistics (Formerly Livingston Event Logistics) has been appointed as the official customs broker for **Canadian Pool & Spa Conference & Expo** to be held at the **ScotiaBank Convention Centre, December 5-8, 2011**. Mendelssohn Event Logistics staff will be on-site from the first move-in day to the last move-out day and assist exhibitors with their entry/import and return/export of goods.

Mendelssohn Event Logistics will post the required bonds and securities with Canada Customs; clear your materials through Canadian Customs; prepare export documentation and bills of lading; and arrange customs clearance return for ground/air freight.

Prior to shipping, the **Order Form** and **Canada Customs Invoice** should be completed and faxed to Mendelssohn Event Logistics (Attn: Danny Mekhuri, Fax: 416-863-5149). Three copies must accompany the shipment.

Exhibitors using their own broker will have to arrange their own bond or cash deposit with Canada Customs at the point of entry into Canada.

Private Vehicles (PV)

With the introduction of AECI (Advance Electronic Cargo Information) on the U.S. side of the border, PAPS (Pre-Arrival Processing System) and ACE (Automated Commercial Environment) have become mandatory for most highway shipments entering the U.S. This program requires that all carriers/PV with commercial goods must fax shipment and driver information to the Customs Broker at least 3 hours prior to their arrival at the border. The Customs Broker must then submit the shipment information, in the proper format, to CBP at least 1 hour prior to the carrier/PV arrival. Carriers who fail to meet AECI / PAPS / ACE requirements are subject to penalties. **Carrier/PV penalties are set at \$5,000.00 USD for the first infraction, and \$10,000.00 USD for each infraction thereafter.**

If you plan to drive to the show with your goods, please contact Mendelssohn Event Logistics at once for further instructions!

For further information, please contact your event co-ordinator:
