

Pool School - Wednesday, December 4, 2019 & Thursday, December 5, 2019 (During Expo Hours)

Exhibition Hall

This year's Pool School will feature a vast array of Pentair components. Learn about automation and hydraulics on this functioning pool. This hands-on demonstration will be conducted under the watchful eye of Rodney Taylor of Sunshine Pool & Mechanical Contractors (1994), Edmonton, Alberta, and will include the active participation of industry experts and manufacturers. Come and learn from the pros!
